DePue, IL

The public is invited

AGENDA

Tom Bloom, U.S Environmental Protection Agency *Superfund
Redevelopment Initiative Program—Pilot projects.*

Rich Lange, Illinois Environmental Protection Agency *Overview of the
Forthcoming Proposed Plan for South Ditch (20 Minutes)*

Advisory Committee Mission Statement

To receive and disseminate concerns, opinions, and recommendations to the appropriate Federal and State agencies related to the clean-up of the DePue Superfund Site.

If you have questions about the advisory committee or concerns about the project that you want brought to the advisory committee, you may raise these concerns at the meeting during the public comment period, or you may contact advisory committee members before the meeting. Dan Blanco (815/447-2433) is advisory committee chairperson. Questions and concerns about the project may also be directed to Virginia Wood, Illinois EPA community relations coordinator at 217/785-1269 or Richard Lange, Illinois EPA project manager at 815/447-2125. The Potentially Responsible Party representative is Jim Frank at 217/487-7686.
